## PART II

### Information Required in the Registration Statement

#### Item 3. Incorporation of Documents by Reference

Theravance Biopharma, Inc. (the "Registrant") hereby incorporates by reference into this Registration Statement the following documents previously filed with the Securities and Exchange Commission (the "SEC"):

- (a) The Registrant's Annual Report on Form 10-K filed with the SEC for the fiscal year ended December 31, 2015;
- (b) The Registrant's Current Report on Form 8-K filed with the SEC on January 11, 2016 (but only with respect to Item 2.02), on February 25, 2016 (but only with respect to those portions of Item 8.01 that were "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended) and on March 14, 2016; and
- (c) The description of the Registrant's outstanding Ordinary Shares contained in the Registrant's Registration Statement No. 001-36033 on Form 10 filed with the SEC on May 7, 2014, including any amendment or report filed for the purpose of updating such description.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the 1934 Act, prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents. The Registrant is not, however, incorporating any documents or information that the Registrant is deemed to furnish and not file in accordance with SEC rules.

#### Item 4. Description of Securities

Not applicable.

#### Item 5. Interests of Named Experts and Counsel

Not applicable.

#### Item 6. Indemnification of Directors and Officers

Cayman Islands law does not limit the extent to which a company's memorandum and articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. The Registrant's amended and restated articles of association provide for indemnification of officers and directors for actions, costs, charges, losses, damages and actual expenses incurred in their capacities as such, except that such indemnification does not extend to any matter in respect of any actual fraud or willful default that may attach to any of them. The Registrant has entered into indemnification agreements with its officers and directors providing for indemnification to the fullest extent permitted by Cayman Islands law and, in certain respects, the indemnification agreements provide greater protection than that specifically provided for by Cayman Islands law. The indemnification agreements do not provide indemnification for, among other things, conduct which is found to be knowingly fraudulent or deliberately dishonest, or for willful misconduct. The Registrant maintains liability insurance for its officers and directors.

#### Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "1933 Act");

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement - notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the 1933 Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

## SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of South San Francisco, State of California on this 15<sup>th</sup> day of March, 2016.

Dear Sirs

**Theravance Biopharma, Inc.**

We have acted as Cayman Islands counsel to Theravance Biopharma, Inc. (the “**Company**”) in connection with the Company’s registration statement (the “**Registration Statement**”) on Form S-8, including all amendments or supplements thereto (the “**Form S-8**”), filed with the United States Securities and Exchange Commission (the “**Commission**”) under the United States Securities Act of 1933, as amended, (the “**Act**”) covering up to 2,278,867 ordinary shares of a par value of US\$0.00001 per share (the “**Shares**”) to be issued by the Company pursuant to its 2013 Equity Incentive Award Plan and its 2013 Employee Share Purchase Plan (the “**Plans**”).

**1 Documents Reviewed**

We have reviewed originals, copies, drafts or conformed copies of the following documents:

- 1.1 The Certificate of Incorporation dated 29 July 2013 and the amended and restated memorandum and articles of association of the Company adopted on 28 April 2014 (the “**Memorandum and Articles**”).
- 1.2 The minutes (the “**Minutes**”) of the meetings of the board of directors of the Company held on 22 October 2013, 19 March 2014, 23 May 2014, 21 July 2014 and 5 February 2015 (together, the “**Meetings**”) and the corporate records of the Company maintained at its registered office in the Cayman Islands.
- 1.3 The written resolutions of the sole shareholder of the Company dated 28 April 2014 (the “**Shareholder Resolutions**”).
- 1.4 A Certificate of Good Standing issued by the Registrar of Companies (the “**Certificate of Good Standing**”).
- 1.5 A certificate from a Director of the Company addressed to this firm (the “**Director’s Certificate**”).
- 1.6 The Registration Statement.
- 1.7 The Plans.

## 2 Assumptions

The following opinion is given only as to, and based on, circumstances and matters of fact existing and known to us on the date of this opinion. This opinion only relates to the laws of the Cayman Islands which are in force on the date of this opinion. In giving this opinion we have relied (without further verification) upon the completeness and accuracy of the Director's Certificate and the Certificate of Good Standing. We have also relied upon the following assumptions, which we have not independently verified:

- 2.1 Copy documents, conformed copies or drafts of documents provided to us are true and complete copies of, or in the final forms of, the originals, and translations of documents provided to us are complete and accurate.
- 2.2 All signatures, initials and seals are genuine.
- 2.3 The Plans have been authorised and duly executed and unconditionally delivered by or on behalf of the Company in accordance with all relevant laws (other than the laws of the Cayman Islands).
- 2.4 The Plans are legal, valid, binding and enforceable against all relevant parties in accordance with its terms under all relevant laws (other than, with respect to the Company, the laws of the Cayman Islands).
- 2.5 No invitation has been or will be made to the public in the Cayman Islands to subscribe for or purchase the Shares.
- 2.6 The Shares to be issued by the Company pursuant to the Registration Statement will be issued by the Company against payment in full of the consideration and the Shares have been, or will be, duly registered, and will continue to be registered, in the Company's register of members (shareholders), as we have not inspected such register.
- 2.7 The Company has received, or will receive, money or money's worth in consideration for the issue of the Shares, and none of the Shares have, or will be, issued for less than par value.
- 2.8 There is nothing under any law (other than the law of the Cayman Islands) which would or might affect the opinions hereinafter appearing. Specifically, we have made no independent investigation of the laws of the United States of America.

## 3 Opinions

Based upon, and subject to, the foregoing assumptions and the qualifications set out below, and having regard to such legal considerations as we deem relevant, we are of the opinion that:

- 3.1 The Shares to be offered and issued by the Company pursuant to the provisions of the Plans have been duly authorised for issue, and when issued by the Company pursuant to the provisions of the Plans for the consideration fixed thereto and duly registered in the Company's register of members (shareholders), will be validly issued and (assuming that at least the par value of each Share is received by the Company) will be fully paid and non-assessable.

Under Cayman Islands law, the register of members (shareholders) is *prima facie* evidence of title to shares and this register would not record a third party interest in such shares. However, there are certain limited circumstances where an application may be made to a Cayman Islands court for a determination on whether the register of members reflects the correct legal position. Further, the Cayman Islands court has the power to order that the register of members maintained by a company should be rectified where it considers that the register of members does not reflect the correct legal position. As far as we are aware, such applications are rarely made in the Cayman Islands, but if this were to occur in respect of the Company's Shares, then the validity of such shares may be subject to re-examination by a Cayman Islands court.

Except as specifically stated herein, we make no comment with respect to any representations and warranties which may be made by or with respect to the Company in any of the documents or instruments cited in this opinion or

otherwise with respect to the commercial terms of the transactions the subject of this opinion.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement.

This opinion is limited to the matters detailed herein and is not to be read as an opinion with respect to any other matter.

Yours faithfully

/s/ Maples and Calder
