**PROXY STATEMENT FOR
2015 ANNUAL GENERAL MEETING OF SHAREHOLDERS**

This proxy statement is furnished in connection with solicitation of proxies by our board of directors for use at the 2015 annual general meeting of shareholders (the "Annual Meeting") to be held at 1:00 p.m. GMT on April 22, 2015, and any postponements or adjournments thereof. The Annual Meeting will be held at The Merrion Hotel, Upper Merrion St, Dublin 2, Ireland. As used in this proxy statement, the terms "Theravance Biopharma," "we," "us," and "our" mean Theravance Biopharma, Inc. and its subsidiaries unless the context indicates otherwise.

QUESTIONS AND ANSWERS ABOUT PROCEDURAL MATTERS

Annual Meeting

Q: Why am I receiving these proxy materials?

A: Our board of directors is providing these proxy materials to you in connection with the solicitation of proxies for use at the Annual Meeting to be held on April 22, 2015 at 1:00 p.m. GMT, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth herein. You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions on the enclosed proxy card to submit your proxy via telephone or on the Internet. We intend to mail this Proxy Statement and accompanying proxy card on or about March 24, 2015 to all shareholders of record entitled to vote at the Annual Meeting.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and certain of our executive officers, corporate governance, and certain other required information.

Q: Where is the Annual Meeting?

A: The Annual Meeting will be held at The Merrion Hotel, Upper Merrion St, Dublin 2, Ireland.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a shareholder of record or a beneficial owner as of March 6, 2015. Admission will begin at 1:00 p.m. GMT on the date of the Annual Meeting, and you must present valid picture identification such as a driver's license or passport and, if asked, provide proof of share ownership as of March 6, 2015. The use of mobile phones, pagers, recording or photographic equipment, tablets and/or computers is not permitted at the Annual Meeting. The meeting will begin promptly at 1:00 p.m. GMT. The Annual Meeting will be held at The Merrion Hotel, Upper Merrion St, Dublin 2, Ireland and shareholders may request directions to the location of our Annual Meeting by calling (650) 808-6000.

Share Ownership

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: *Shareholders of record*—If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the "shareholder of record," and this notice was provided to you directly by us. As the shareholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Beneficial owners—Many Theravance Biopharma shareholders hold their shares through a broker, trustee or other nominee, rather than directly in their own name. If your shares are held in a brokerage account or by a bank or another nominee, you are considered the "beneficial owner" of shares held in "street name." If this notice was forwarded to you by your broker, trustee or nominee who is considered, with respect to those shares, the shareholder of record.

As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since beneficial owners are not shareholders of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

Quorum and Voting

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our Amended and Restated Memorandum and Articles of Association and Cayman Islands law. The presence, in person or by proxy, of a majority of the aggregate voting power of the issued and outstanding ordinary shares entitled to vote at the meeting will constitute a quorum at the meeting. Except as otherwise expressly provided by the Amended and Restated Memorandum and Articles of Association or by law, the holders of ordinary shares will vote together as a single class on all matters submitted to a vote or for the consent of the shareholders of Theravance Biopharma. Each holder of ordinary shares will have the right to one vote per ordinary share. A proxy submitted by a shareholder may indicate that the shares represented by the proxy are not being voted with respect to a particular matter.

Under the laws of the Cayman Islands, abstentions and broker "non-votes" are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner submits a completed proxy card but does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Q: Who is entitled to vote at the Annual Meeting?

A: Holders of record of our ordinary shares at the close of business on March 6, 2015 (the "Record Date") are entitled to receive notice of and to vote their shares at the Annual Meeting. As of the Record Date, we had 33,801,727 ordinary shares in issue. In deciding all matters at the Annual Meeting, each holder of ordinary shares of Theravance Biopharma will be entitled to one vote per

[Table of Contents](#)

ordinary share held as of the close of business on the Record Date. We do not have cumulative voting rights for the election of directors.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or follow the voting directions described below, so that your vote will be counted if you later decide not to attend the meeting.**

Q: How can I vote my shares without attending the Annual Meeting?

A: *Shareholder of record*—If you are a shareholder of record, there are three ways to vote without attending the Annual Meeting:

- *Via the Internet*—You may vote by proxy via the Internet by following the instructions provided in the proxy card.
- *By Telephone*—You may vote by proxy by telephone by calling the toll free number found on the proxy card.
- *By Mail*—You may vote by proxy by filling out the proxy card and returning it in the envelope provided.

Beneficial owners—If you are a beneficial owner holding shares through a bank, broker or other nominee, please refer to the information forwarded by your bank or broker to see which voting options are available to you.

Q: What proposals will be voted on at the Annual Meeting?

A: At the Annual Meeting, shareholders will be asked to vote:

- (1) To elect the three directors identified in this proxy statement to serve as Class I directors until the annual meeting held in 2018 and until their successors are duly elected and qualified;
- (2) To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
- (3) To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Q: What is the voting requirement to approve each of the proposals?

A: *Proposal One*—The election of directors requires a plurality vote of the shares of ordinary shares voted at the meeting. "Plurality" means that the individuals who receive the largest number of votes cast "for" are elected as directors. As a result, any shares not voted "for" a particular nominee (whether as a result of shareholders withholding votes or a broker non-vote) will not be counted in such nominee's favor.

Proposal Two—The affirmative vote of a majority of votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

[Table of Contents](#)

Q: How does the board of directors recommend that I vote?

A: Our board of directors unanimously recommends that you vote your shares:

- "FOR" the three nominees for election as director listed in Proposal One; and
- "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

Q: What happens if I do not give specific voting instructions?

A: *Shareholder of record*—If you are a shareholder of record and you:

- Indicate when voting on the Internet or by telephone that you wish to vote as recommended by our board of directors; or
- Sign and return a proxy card without giving specific voting instructions,

then the persons named as proxy holders will vote your shares in the manner recommended by the board of directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial owners—If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

Q: How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

A: Brokerage firms and other intermediaries holding shares of ordinary shares in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole routine matter—the proposal to ratify the appointment of Ernst & Young LLP. Your broker will not have discretion to vote on the following "non-routine" matter absent direction from you: the election of directors.

Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

[Table of Contents](#)

Q: Can I change or revoke my vote?

A: Subject to any rules your broker, trustee or nominee may have, you may change your proxy instructions at any time before your proxy is voted at the Annual Meeting.

If you are a shareholder of record, you may change your vote by (1) filing with our Secretary, prior to your shares being voted at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy card relating to the same shares, or (2) by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not, by itself, revoke a proxy). A shareholder of record that has voted on the Internet or by telephone may also change his or her vote by later making a timely and valid Internet or telephone vote.

If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, trustee or other nominee or (2) if you have obtained a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

Any written notice of revocation or subsequent proxy card must be received by our Secretary prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Secretary or should be sent so as to be delivered to our principal executive offices, Attention: Secretary.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will bear all expenses of this solicitation, including the cost of preparing and mailing these proxy materials. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners of ordinary shares for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors, officers and employees of Theravance Biopharma may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. We may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be significant.

Q: Is my vote confidential?

A: Proxy instructions, ballots, and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Theravance Biopharma or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and will publish final results in a current report on Form 8-K within four business days after the Annual Meeting.

Shareholder Proposals and Director Nominations

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings.

Requirements for shareholder proposals to be considered for inclusion in our proxy materials—Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of shareholders by submitting their proposals in writing to our Secretary in a timely manner. In order to be included in the proxy statement for the 2016 annual meeting of shareholders, shareholder proposals must be received by our Secretary no later than November 18, 2015, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Requirements for shareholder proposals to be brought before an annual meeting—In addition, our Amended and Restated Memorandum and Articles of Association establish an advance notice procedure for shareholders who wish to present certain matters before an annual meeting of shareholders. In general, nominations for the election of directors may be made by our board of directors or any committee thereof or any shareholder, who is a shareholder of record on the date of the giving of such notice and on the record date for the determination of shareholders entitled to vote at such meeting, who is entitled to vote at such meeting and who has delivered written notice to our Secretary no later than the Notice Deadline (as defined below), which notice must contain specified information concerning the nominees and concerning the shareholder proposing such nominations.

Our Amended and Restated Memorandum and Articles of Association also provide that the only business that may be conducted at an annual general meeting is business that is (1) specified in the notice of meeting (or any supplement thereto) given by or at the direction of our board of directors (or any committee thereof), (2) otherwise properly brought before the meeting by or at the direction of our board of directors (or any committee thereof) or (3) properly brought before the meeting by a shareholder who has delivered written notice to our Secretary no later than the Notice Deadline (as defined below) and otherwise complied with the provisions of our Amended and Restated Memorandum and Articles of Association.

The "Notice Deadline" is defined as that date which is not less than 45 days nor more than 75 days prior to the one year anniversary of the previous year's annual meeting of shareholders. As a result, the Notice Deadline for the 2016 annual meeting of shareholders is between February 7, 2016 and March 8, 2016.

Recommendation of director candidates—You may recommend candidates to our board of directors for consideration by our nominating and governance committee by following the procedures set forth below in "Corporation Governance—Shareholder Recommendations for Nominations to the Board of Directors."

Q: How may I obtain a copy of the provisions of the Amended and Restated Memorandum and Articles of Association regarding shareholder proposals and director nominations?

A: A copy of the full text of the provisions discussed above may be obtained by writing to our Secretary. A copy of our Amended and Restated Memorandum and Articles of Association is posted on the Investor Relations portion of our website at www.theravance.com. All notices of proposals by shareholders, whether or not included in Theravance Biopharma's proxy materials, should be sent to our principal executive offices, Attention: Secretary.

Additional Information about the Proxy Materials

Q: What does it mean if multiple members of my household are shareholders but we only received one set of proxy materials in the mail?

A: We have adopted a procedure called "householding," which the Securities and Exchange Commission (the "SEC") has approved. Under this procedure, we deliver a single copy of the proxy materials to multiple shareholders who share the same address unless we received contrary instructions from one or more of the shareholders. This procedure reduces our printing costs, mailing costs, and fees. Shareholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written request, we will deliver promptly a separate copy of the proxy materials to any shareholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy of the proxy materials, shareholders should send their requests to our principal executive offices, Attention: Secretary. Shareholders who hold shares in street name (as described below) may contact their brokerage firm, bank, broker-dealer, or other similar organization to request information about householding.

Q: What is the mailing address for Theravance Biopharma's principal executive offices?

A: The mailing address for our principal executive offices is P.O. Box 309, Uglund House, Grand Cayman, KY1-1104, Cayman Islands; however, all shareholder correspondence should be sent to us care of our U.S. subsidiary, Theravance Biopharma US, Inc., at 901 Gateway Boulevard, South San Francisco, California 94080. The telephone number at that location is (650) 808-6000.

Any written requests for additional information, copies of the proxy materials and 2015 Annual Report, notices of shareholder proposals, recommendations for candidates to our board of directors, communications to our board of directors or any other communications should be sent to the address above.

Separation from Theravance, Inc.

Q: When and how did we become independent from Theravance, Inc.?

A: On June 1, 2014, Theravance, Inc. separated its late-stage respiratory assets partnered with GlaxoSmithKline from its biopharmaceutical operations by transferring its discovery, development and commercialization operations and contributing \$393.0 million of cash, cash equivalents and marketable securities to its then wholly-owned subsidiary, Theravance Biopharma. On June 2, 2014 Theravance, Inc. made a pro rata dividend distribution to its stockholders of record on May 15, 2014 of one ordinary share of Theravance Biopharma for every three and one half shares of Theravance, Inc. common stock outstanding on the record date (the "Spin-Off"). The Spin-Off resulted in Theravance Biopharma operating as an independent, publicly traded company.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON
APRIL 22, 2015.**

The proxy statement and annual report to shareholders is available at <http://investor.theravance.com/proxy.cfm>

PROPOSAL ONE
ELECTION OF DIRECTORS

General

Our board of directors may establish the authorized number of directors from time to time by resolution. Our board of directors is currently comprised of ten members who are divided into three classes with staggered three-year terms. A director serves in office until his respective successor is duly elected and qualified or until his earlier death or resignation. Our Amended and Restated Memorandum and Articles of Association authorize only our board of directors to fill vacancies on our board of directors. Any director appointed by our board of directors shall hold office for the remaining term of the class of director which he or she is appointed and shall then be eligible for re-election. Any additional directorships resulting from an increase in the authorized number of directors would be distributed among the three classes so that, as nearly as possible, each class would consist of one-third of the authorized number of directors. Your proxy cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Nominees

Three Class I directors have been nominated for election at the Annual Meeting each for a three-year term expiring in 2018. Upon the recommendation of our nominating and governance committee, our board of directors has nominated Eran Broshy, Henrietta H. Fore and Burton G. Malkiel, each a current Class I director, for election as Class I directors. Michael G. Atieh, also a current Class I director, has informed us that he will not stand for re-election at the Annual Meeting. The term of office of each person elected as director will continue until such director's term expires in 2018, or until such director's successor has been duly elected and qualified.

Information Regarding the Nominees and Other Directors

The following is a brief biography of each nominee nominated for election at the Annual Meeting and each director who will continue as a director after the Annual Meeting. Also listed below are the nominees' and directors' respective ages as of March 31, 2015. We have determined that each of these director nominees possesses the requisite communication skills, personal integrity, business judgment, ability to make independent analytical inquiries, and willingness to devote adequate time and effort necessary to serve as an effective member of the board of directors. Other specific experiences, qualifications, attributes or skills of nominees that contributed to our conclusion that the nominees should serve as directors are noted below.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE CLASS I NOMINEES NAMED ABOVE.

PROPOSAL TWO

**RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee has appointed the firm of Ernst & Young LLP, independent registered public accountants, to audit our financial statements for the year ending December 31, 2015.

Notwithstanding its selection and even if our shareholders ratify the selection, our audit committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the audit committee believes that such a change would be in the best interests of Theravance Biopharma and its shareholders. At the Annual Meeting, the shareholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015. Our audit committee is submitting the selection of Ernst & Young LLP to our shareholders because we value our shareholders' views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Ernst & Young LLP will be present at the Annual Meeting and they will have an opportunity to make statements and will be available to respond to appropriate questions from shareholders.

If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the audit committee would reconsider the appointment.

Pre-Approval of Audit and Non-Audit Services

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board regarding auditor independence, our audit committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our audit committee (or the chair if such approval is needed on a time urgent basis) pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.

CORPORATE GOVERNANCE

Code of Conduct

Our board of directors has adopted a code of conduct that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer, and other executive and senior financial officers. The full text of our code of conduct is posted on the Investor Relations portion of our website at www.theravance.com. We intend to disclose future amendments to, or waiver of, our code of conduct, at the same location on our website identified above.

Board Composition

Our business affairs are managed under the direction of our board of directors, which is currently composed of ten members. Nine of our directors are independent within the meaning of the Nasdaq Marketplace ("Nasdaq") rules for listed companies. Our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of shareholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election.

Directors in a particular class will be elected for three-year terms at the annual meeting of shareholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our shareholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or the earlier of his or her death, resignation or removal. The classification of our board of directors may have the effect of delaying or preventing changes in our control or management.

Director Independence

Our ordinary shares are listed on Nasdaq. The listing rules of this stock exchange generally require that a majority of the members of a listed company's board of directors be independent. In addition, the rules of Nasdaq require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. Under the Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our board of directors has determined that none of our non-employee directors has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the Nasdaq rules. The independent members of our board of directors will hold separate regularly scheduled executive session meetings at which only independent directors are present.

Board Leadership Structure

We currently have a single individual serving as our chairman of the board of directors and our principal executive officer. Mr. Young serves as our lead independent director. In his role as lead independent director, Mr. Young provides a source of leadership for the board of directors that is complementary to that of Mr. Winningham as chairman of the board of directors. As the lead independent director, Mr. Young coordinates the activities of the other independent directors, including coordinating with the chairman an appropriate schedule of board of directors and committee meetings, suggesting to the chairman agenda topics for meetings of the board of directors, coordinating with the chairman on the quality, quantity and timeliness of information submitted by management to independent directors, developing agendas for and serving as chairman of the executive sessions of the

[Table of Contents](#)

board of directors' independent directors, serving as the principal liaison between the independent directors and the chairman, coordinating with the General Counsel and Secretary responses to questions and/or concerns from shareholders, employees, or other interested parties, and, in his dual role as lead director and chairman of the compensation committee, delivering the results of the chief executive officer's performance evaluation. Our board believes that the combined role of chairman and chief executive officer, while balanced with our use of a lead independent director, facilitates centralized board leadership in one person, so there is no ambiguity about accountability. In addition, given the relatively small size of our company, our board of directors believes that Mr. Winningham's leadership as both chairman and chief executive officer is appropriate. Our corporate governance guidelines are posted on the Investor Relations portion of our website at www.theravance.com.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating/corporate governance committee. Our board of directors and its committees set schedules for meeting throughout the year and can also hold special meetings and act by written resolutions from time to time, as appropriate. Our board of directors has delegated various responsibilities and authority to its committees as generally described below. The committees will regularly report on their activities and actions to the full board of directors. Each member of each of our compensation, nominating and governance and audit committees qualifies as an independent director in accordance with Nasdaq listing standards. Each committee of our board of directors has a written charter approved by our board of directors. Copies of each charter are posted on the Investor Relations portion of our website at www.theravance.com.

Audit Committee

During our fiscal year ended December 31, 2014, our audit committee held 8 meetings. The current members of our audit committee are Mr. Atieh, Dr. Malkiel, Mr. Mitchell and Ms. Fore, each of whom is a non-employee member of our board of directors and can read and understand fundamental financial statements. Dr. Malkiel and Ms. Fore have served as members of the committee since October 22, 2013, Mr. Atieh has served since June 2, 2014, and Mr. Mitchell has served since October 22, 2014. Mr. Atieh, a current member of our audit committee, has informed us that he will not stand for re-election at the Annual Meeting and therefore will cease to be a member of our audit committee on April 22, 2015. Mr. Atieh, Dr. Malkiel, Mr. Mitchell and Ms. Fore are each independent under the rules and regulations of the SEC and the listing standards of the Nasdaq applicable to audit committee members. Dr. Malkiel serves as chair of the audit committee. Our board of directors has determined that Dr. Malkiel qualifies as an audit committee financial expert within the meaning of SEC regulations and meets the financial sophistication requirements of the Nasdaq.

The audit committee of our board of directors oversees our accounting practices, system of internal controls, audit processes and financial reporting processes. Among other things, our audit committee is responsible for reviewing our disclosure controls and processes and the adequacy and effectiveness of our internal controls. It also discusses the scope and results of the audit with our independent registered public accounting firm, reviews with our management and our independent registered public accounting firm our interim and year-end operating results and, as appropriate, initiates inquiries into aspects of our financial affairs. Our audit committee is responsible for establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. In addition, our audit committee has sole and direct responsibility for the appointment, retention, compensation and oversight of the work of our independent registered public accounting firm, including approving services and fee

[Table of Contents](#)

arrangements. Significant related party transactions will be approved by our audit committee before we enter into them, as required by applicable rules and listing standards.

Compensation Committee

During our fiscal year ended December 31, 2014, our compensation committee held 8 meetings and acted by written resolutions 1 time. The current members of our compensation committee are Messrs. Brosky (who was appointed to the committee on October 22, 2014) and Young and Drs. Ringrose and Whitesides, each of whom is a non-employee member of our board of directors, including under applicable tax (IRC Section 162(m)) and securities law (Section 16) rules, and each of whom our board of directors has determined qualify as independent under Rule 10C of the Exchange Act and related Nasdaq listing standards. Mr. Young serves as chair of the compensation committee. The purpose of our compensation committee is to review and approve our overall compensation strategy and policies. Specifically, our compensation committee reviews and approves corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management; reviews and approves the compensation and other terms of employment of our principal executive officer and other executive officers; approves the individual bonus programs in effect for our principal executive officer, other executive officers and key employees for each fiscal year; recommends to our board of directors the compensation of our directors; recommends to our board of directors the adoption or amendment of equity and cash incentive plans and approves the adoption of and amendments to these plans; grants options and other equity awards; and administers our equity incentive plans and similar programs.

Mr. Winningham, our principal executive officer, does not participate in the determination of his own compensation or the compensation of our directors. However, he makes recommendations to our compensation committee regarding the amount and form of the compensation of the other executive officers and key employees, and he often participates in the committee's deliberations about their compensation. Our general counsel, chief financial officer and our vice president, human resources, also assist our compensation committee in its executive officer, director and employee compensation deliberations. No other executive officers participate in the determination of the amount or form of the compensation of our executive officers or directors.

During our fiscal year ended December 31, 2014, our compensation committee engaged the services of Frederic W. Cook & Co. ("FW Cook"), a compensation consulting firm, to advise the compensation committee regarding the amount and types of compensation that we provide to our executives and directors and how our compensation practices compare to the compensation practices of other companies. FW Cook reports directly to the compensation committee. FW Cook does not provide any services to us other than the services provided to the compensation committee. The compensation committee believes that FW Cook does not have any conflicts of interest in advising the compensation committee under applicable SEC rules or Nasdaq listing standards. The compensation committee has assessed the independence of FW Cook pursuant to SEC rules and Nasdaq listing standards and concluded that no conflict of interest exists that would prevent FW Cook from independently representing the committee.

Nominating/Corporate Governance Committee

During our fiscal year ended December 31, 2014, our nominating/corporate governance committee held 2 meetings. The current members of our nominating/corporate governance committee are Mr. Brosky (who was appointed to the committee on October 22, 2014), Dr. Malkiel, Mr. Young and Ms. Fore, each of whom is a non-employee member of our board of directors. Ms. Fore has served as chair of the nominating/corporate governance committee since her appointment to the committee on July 21, 2014. The nominating/corporate governance committee oversees the nomination of directors, including, among other things, identifying, evaluating and making recommendations of nominees to our

[Table of Contents](#)

board of directors and evaluates the performance of our board of directors and individual directors. Our nominating and governance committee is also responsible for reviewing developments in corporate governance practices, evaluating the adequacy of our governance practices and making recommendations to our board of directors concerning corporate governance matters.

Compensation Committee Interlocks and Insider Participation

As noted above, the compensation committee of our board of directors is comprised of Messrs. Broshy and Young and Drs. Ringrose and Whitesides. None of the members of our compensation committee was at any time during the fiscal year ended December 31, 2014 (or at any other time) an officer or employee of Theravance Biopharma. None of our executive officers serves, or served during our fiscal year ended December 31, 2014, as a member of the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of our board of directors or our compensation committee.

Meetings of the Board of Directors

The full board of directors met 8 times during our fiscal year ended December 31, 2014 and acted by written resolutions 1 time. No director attended fewer than 75% of the total number of meetings of the board of directors (held during the period he or she was a director) and meetings of any committees of the board of directors (during periods when he or she was a member) during our fiscal year ended December 31, 2014.

It is our policy that directors are invited and encouraged to attend our annual meetings of shareholders. We have scheduled our Annual Meeting on the same day as a regularly scheduled board of directors meeting in order to facilitate attendance by the members of our board of directors.

Shareholder Recommendations for Nominations to the Board of Directors

Our nominating and governance committee has adopted Policies and Procedures for Director Candidates. Shareholder recommendations for candidates to our board of directors must be received by December 31st of the year prior to the year in which the recommended candidates will be considered for nomination, must be directed in writing to Theravance Biopharma, Inc., c/o of its U.S. subsidiary, Theravance Biopharma US, Inc., at 901 Gateway Boulevard, South San Francisco, California 94080, Attention: Secretary, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between us and the candidate within the last three years and evidence of the recommending person's ownership of our shares. Board Oversight of Risk

One of the key functions of our board of directors is informed oversight of our risk management process. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure. Our executive officers are responsible for the day-to-day management of the material risks we face. Our board of directors administers its oversight function directly as a whole, as well as through various standing committees of our board of directors that address risks inherent in their respective areas of oversight. For example, our audit committee is responsible for overseeing the management of risks associated with our financial reporting, accounting and auditing matters; our compensation committee oversees major risks associated with our compensation policies and programs; and our

[Table of Contents](#)

nominating and governance committee oversees the management of risks associated with director independence, conflicts of interest, composition and organization of our board of directors and director succession planning.

Director Compensation

The following is a description of the standard compensation arrangements under which our non-employee directors are compensated for their service as directors, including as members of the various committees of our board of directors.

Cash Compensation

Each member of our board of directors who is not an employee is paid an annual retainer of \$50,000 as well as \$1,000 for each board and committee meeting attended (\$500 for scheduled in-person meetings that a board member attends by video or telephone conference). In addition, the chairperson of our audit committee is paid a \$20,000 annual retainer, the chairperson of our compensation committee is paid a \$13,000 annual retainer, and the chairpersons of our nominating/corporate governance committee and our science and technology advisory committee are each paid a \$10,000 annual retainer. Our lead independent director is also paid a \$25,000 annual retainer. The members of our board are also eligible for reimbursement for their expenses incurred in attending board meetings in accordance with our policies.

Equity Compensation

Each of our non-employee directors is also compensated with periodic automatic grants of equity awards under a program implemented under our 2013 Equity Incentive Plan. These grants are non-discretionary, and only our non-employee directors are eligible to receive these automatic grants.

Under our automatic grant program, each individual who first becomes a non-employee director will, on the date such individual joins our board, automatically be granted a one-time nonstatutory share option grant covering 12,000 ordinary shares. These initial option grants vest monthly over the director's first two years of service. In addition, on the date of joining our board of directors, a new non-employee director will also receive the standard annual equity award (if joining on the date of our annual meeting of shareholders) or a pro-rated annual equity award (if joining on any other date), as described below. The pro-ration will be based upon the number of months of service the new board member will provide during the 12-month period ending on the one-year anniversary of the most recent annual meeting of shareholders.

Annually, upon his or her re-election to our board at the annual meeting of shareholders, each non-employee director automatically will be granted restricted share units ("RSUs") covering 6,000 ordinary shares. This standard annual RSU grant will vest in full on the earlier of the one-year anniversary of the date of grant or the next annual meeting of shareholders.

All automatic equity awards vest in full if we are subject to a change in control or the board member dies or becomes disabled while in service. Each share option granted pursuant to the automatic grant program will have an exercise price equal to the fair market value of our ordinary shares on the date of grant, a term of up to ten years and will remain exercisable for three years following termination of a director's service other than for cause. Each RSU granted pursuant to the automatic grant program will be settled by issuing our ordinary shares upon vesting and includes cash dividend equivalent rights in the event we pay any cash dividends to shareholders while the award is outstanding.

In addition to the automatic equity awards described above, directors are also eligible to receive other equity awards under our 2013 Equity Incentive Plan.

[Table of Contents](#)

In connection with the Spin-Off and in contrast to our automatic grant program, however, each of our non-employee directors that was serving as a member of our board of directors at the time of the Spin-Off, as well as each of our non-employee directors that became a member of our board of directors in connection with the Spin-Off, received the initial option grant described above (with vesting occurring monthly over the director's first three years of service, rather than two years) as well as an annual equity award provided in the form of an option covering 12,000 of our ordinary shares that vests monthly over the twelve month period following the date of grant.

2014 Director Compensation Table

The following table sets forth the compensation awarded to, earned by, or paid to each person who served as a director during 2014, other than a director who also served as a named executive officer. For persons who served as directors of Theravance, Inc. prior to the Spin-Off, the table below also includes compensation awarded to, earned by or paid to such directors by Theravance, Inc. prior to the Spin-Off.

Mr. Winningham began working for us on a full-time basis on August 16, 2014. Mr. Shafer remained employed by Theravance, Inc. after the Spin-Off until his resignation on August 31, 2014, at which time he began employment with us. Accordingly, unless indicated otherwise, the information provided below for periods prior to June 2, 2014 reflects compensation from Theravance, Inc. For the period after the Spin-Off, unless indicated otherwise, the information provided below only reflects compensation from us.

- (1) Includes amounts deferred pursuant to both our and Theravance's 401(k) plans.
- (2) Reflects cash bonuses awarded under our annual cash bonus plan at the discretion of our Compensation Committee and which were paid in the first quarter of the following year. In the case of Mr. Winningham, who remained eligible for a partial 2014 bonus from Theravance, Inc., includes \$243,605 paid by us pursuant to our bonus program and \$383,921 paid by Theravance, Inc. pursuant to its bonus program. In the case of Mr. Pasqualone, includes a \$25,000 signing bonus paid in connection with his commencement of employment with Theravance.
- (3) Represents the aggregate grant date fair value of stock awards granted by Theravance, Inc., computed in accordance with FASB ASC Topic 718. In accordance with the SEC rules, the grant date fair value of any award subject to a performance condition is based on the probable outcome of the performance conditions. See Note 6 of the notes to our consolidated financial statements in our Annual Report on Form 10-K filed on March 13, 2015 for a discussion of all assumptions made by Theravance, Inc. in determining the grant date fair values of its equity awards. The 2014 amounts consist of the following:
 - \$3,111,476 in the case of Mr. Winningham and \$1,414,307 in the case of Mr. Shafer in incremental fair value associated with the determination by Theravance, Inc. of achievement of the performance-based vesting conditions applicable to certain performance-contingent Theravance, Inc. restricted stock awards ("RSAs") in connection with the Spin-Off. These RSAs will vest on June 2, 2015, subject to the officer's employment with us.
 - \$3,168,839 in grant date fair value related to 138,897 performance-contingent Theravance, Inc. RSAs (and 39,685 of our ordinary shares distributed thereon in the Spin-Off) in the case of Mr. Winningham and \$1,440,368 in grant date fair value related to 63,135 performance-contingent Theravance, Inc. RSAs (and 18,038 of our ordinary shares distributed thereon in the Spin-Off) in the case of Mr. Shafer for which we established new performance goals following the Spin-Off. Although the RSAs were granted to Messrs. Winningham and Shafer by Theravance, Inc. in 2011, the establishment of new performance goals is considered the grant of a new award under FASB ASC Topic 718. The grant date fair value of the shares subject to the new goals assumed that milestones adding up to a total of 5.3 points (the level required for purposes of full vesting of the shares) would be achieved, and which occurred in February 2015.

[Table of Contents](#)

- In the case of Messrs. Wunningham and Shafer, 12.5% of the grant date fair value of the RSAs granted by Theravance, Inc. on June 2, 2014, which vested on February 20, 2015 based on service to us. 87.5% of each award was forfeited in connection with their resignation from employment with Theravance.
 - In the case of Mr. Pasqualone, the grant date fair value of the RSAs granted in connection with his commencement of employment with Theravance, Inc.
- (4) Reflects the aggregate grant date fair value of options granted by us and Theravance, Inc., computed in accordance with FASB ASC Topic 718. See Note 6 of the notes to our consolidated financial statements in our Annual Report on Form 10-K filed on March 13, 2015, for a discussion of all assumptions made by us and Theravance, Inc. in determining the grant date fair values of their equity awards. Includes options to purchase our ordinary shares granted to the named executive officers in connection with their commencement of employment with us (and, in the case of Mr. Wunningham, in connection with his transition from part-time to full-time employment with us), as well as an option to purchase shares of Theravance, Inc. common stock granted to Mr. Pasqualone in connection with his commencement of employment with Theravance, Inc.
- (5) Reflects a \$500 401(k) matching contribution.

Narrative Disclosure to Summary Compensation Table

Named Executive Officer Compensation

The compensation paid to our named executive officers for the fiscal year ended December 31, 2014 consisted of the following components: base salary, annual cash incentive compensation, equity incentive compensation and post-termination protection.

Base salary. The base salaries of our named executive officers in 2014 were determined in connection with their transition to employment with us at or following the Spin-Off and were consistent with their base salaries at Theravance, Inc. Mr. Wunningham had an initial base salary of \$177,166, which reflected his part-time employment with us, but which was increased to \$885,828 in connection with the commencement of his full-time employment with us on August 15, 2014. The base salaries of Mr. Pasqualone and Mr. Shafer were \$475,000 and \$427,321, respectively, in 2014.

Annual Cash Incentive Compensation. Our named executive officers are eligible for annual cash incentives pursuant to our company-wide bonus program. Each officer's target bonus is expressed as a percentage of the officer's base salary. Our named executive officers' 2014 target bonuses were as follows: Mr. Wunningham, 60%; Mr. Pasqualone, 50%; and Mr. Shafer 50%. The actual 2014 bonus amounts paid to our named executive officers are included in the "Bonus" column of the Summary Compensation Table and reflect an assessment of both our performance and the individual performance of our named executive officers.

Equity Incentive Compensation. In connection with the commencement of their employment with us, each of our named executive officers received an option grant pursuant to our 2013 Equity Incentive Plan (with Mr. Wunningham receiving two option grants, one in connection with the commencement of his part-time role with us, and an additional grant when he commenced full-time employment with us). These options vest over four years, with 25% of our ordinary shares subject to the options vesting on the first anniversary of their commencement of employment (or in the case of Mr. Wunningham's second option grant, the first anniversary of his transition to full-time employment with us), and the remaining amount of ordinary shares subject to the options vesting in equal monthly installments over the following 36 months thereafter. These options are described in the "Outstanding Equity Awards at 2014 Fiscal Year-End" table below.

Our named executive officers also received equity awards from Theravance, Inc. prior to the Spin-Off. In June 2014, Messrs. Wunningham and Shafer each received an award of restricted shares, 12.5% of which vested based on service to us through February 20, 2015 and the remainder of which was forfeited when the officers resigned their employment with Theravance, Inc. Mr. Pasqualone received both a stock option and restricted shares in connection with his commencement of employment with Theravance, Inc. on January 13, 2014.

[Table of Contents](#)

In connection with the Spin-Off, outstanding Theravance, Inc. equity awards held by our employees at the time of the Spin-Off were amended so that they would continue to vest based on service to us. As a result, the equity awards granted to Mr. Pasqualone in connection with his commencement of employment at Theravance, Inc. as well as prior equity awards granted to Messrs. Winningham and Shafer by Theravance, Inc. described in the "Outstanding Equity Awards at 2014 Fiscal-Year End" table below, continue to vest based on service to us. Additionally, the special long-term retention and incentive performance-contingent RSAs granted by Theravance, Inc. in February 2011 to members of Theravance, Inc.'s then-senior management, including Messrs. Winningham and Shafer, were modified in connection with the Spin-Off to (i) convert a portion of the remaining performance-contingent RSAs to time-based vesting, with such portion eligible to vest on the one year anniversary of the Spin-Off, subject to the holder's continued service with either Theravance, Inc. or us, and (ii) allow us to establish new performance goals for the remaining performance-contingent RSAs after the Spin-Off for holders that became employed by us.

Post-Termination Protection. Our named executive officers are eligible to participate in our change in control severance plan, as described below in "Change in Control Severance Plan." The Theravance, Inc. equity awards held by our named executive officers include double trigger acceleration benefits in the event we are acquired and an officer is subject to an involuntary termination, as described in the "Outstanding Equity Awards at 2014 Fiscal-Year End" table below.

Employment Arrangements

We have entered into employment offer letters with each of our named executive officers that set forth the officer's initial base salary, target bonus opportunity and provide that the officer's employment will be "at will" and may be terminated by either party at any time. With the exception of Mr. Winningham, none of our named executive officers is currently eligible for any severance benefits pursuant to their employment offer letters.

Mr. Winningham's offer letter provides that if his employment is terminated by us without cause and he is not eligible for severance benefits under our Change in Control Severance Plan, he will receive a lump-sum severance payment of 24 months' salary plus two times his current target bonus provided he signs a general release of claims. "Cause" means Mr. Winningham's (i) unauthorized use or disclosure of our confidential information or trade secrets, which use causes material harm to us, (ii) conviction of a felony under the laws of the U. S. or any state thereof, (iii) gross negligence, or (iv) repeated failure to perform lawful assigned duties for thirty days after receiving written notification from our board of directors.

In addition, the offer letters we entered into with Messrs. Winningham and Shafer provide that in the event Theravance, Inc. is subject to a change in control while the officer is employed by us and an independent accounting firm determines that the officer would be subject to excise taxes under IRC Section 4999 in connection with such change in control, the officer will be eligible to receive a tax gross-up payment from us.

Outstanding Equity Awards at 2014 Fiscal Year-End

The following table sets forth information regarding each unexercised option to purchase our ordinary shares, as well as all restricted ordinary shares held by each of our named executive officers as of December 31, 2014. The restricted ordinary shares in the table below represent our ordinary shares that were received by our named executive officers in the Spin-Off in respect of their restricted shares of Theravance, Inc. common stock and which are subject to the same terms and conditions, including vesting, as the Theravance, Inc. shares to which they relate.

Unless otherwise indicated below, all of our equity awards were granted under our 2013 Equity Incentive Plan and will fully vest in the event of a change in control unless the awards are assumed by

the successor corporation or replaced with comparable awards. For additional information regarding other vesting acceleration provisions applicable to the outstanding equity awards held by our named executive officers, please see the section titled "Change in Control Severance Plan" below.

The table below also includes information regarding all Theravance, Inc. stock options and RSAs held by each of our named executive officers as of December 31, 2014. In connection with the Spin-Off, all outstanding Theravance, Inc. options were adjusted using a formula designed to preserve the intrinsic value of the award prior to the Spin-Off. No adjustment was made to the number of Theravance, Inc. RSAs as the holders of Theravance, Inc. RSAs received ordinary shares in the Spin-Off. In addition, all outstanding Theravance, Inc. equity awards held by our employees were amended so that they remain outstanding and continue to vest based on service to either Theravance, Inc. or us following the Spin-Off and to provide that the equity awards will fully vest if the employee is subject to an involuntary termination in connection with or following our change of control.

Table of Contents

A "change in control" for purposes of our change in control severance plan includes:

- The consummation of a merger or consolidation if persons who were not our shareholders prior to the merger or consolidation own 50% or more of the voting securities of the surviving company and its parent.
- A sale, transfer or other disposition of all or substantially all of our assets.
- A change in the composition of our board of directors as a result of which fewer than 50% of the incumbent directors either were directors on the date twelve months prior to the change in control (the "Original Directors") or were appointed or nominated for election to the board of directors by a majority of the Original Directors or directors whose appointment or nomination was approved by at least 50% of the Original Directors.
- A transaction as a result of which any person becomes the beneficial owner of 50% or more of our outstanding voting securities.

A transaction shall not constitute a change in control if its sole purpose is to change our country or state of incorporation, as applicable, or to create a holding company that will be owned in substantially the same proportions by the persons who held our securities immediately before such transaction. In addition, a transaction shall not constitute a change in control unless it also constitutes a "change in control event" under Treasury Regulation 1.409A-3(a)(5).

An "involuntary termination" for purposes of our change in control severance plan means a termination of an officer's employment for reasons other than misconduct, or an officer's resignation following (1) a material diminution in the officer's authority, duties or responsibilities, (2) a material reduction in the officer's base compensation, (3) a material change in the officer's work location or (4) a material breach of the officer's employment agreement by us. In order to qualify as an involuntary termination, the officer must give written notice to us within 90 days after the initial existence of one of the conditions described above and such condition must not have been cured within 30 days thereafter.

"Misconduct" for purposes of our change in control severance plan means an officer's (1) commission of any material act of fraud, embezzlement or dishonesty, (2) material unauthorized use or disclosure of confidential information or trade secrets or (3) other material intentional misconduct adversely affecting our business or affairs.

(1) Includes 857,142 of our ordinary shares available for issuance under our 2013 Employee Share Purchase Plan.

The Theravance Biopharma, Inc. 2014 New Employee Equity Incentive Plan is a non-shareholder approval plan, which was adopted by our board of directors on October 22, 2014 and is intended to satisfy the requirements of Nasdaq Listing Rule 5635(c)(4) or any successor thereto. Nonstatutory share options, share appreciation rights, restricted shares and share units may be granted under the 2014 New Employee Equity Incentive Plan to new employees of Theravance Biopharma. Our board of directors authorized 750,000 of our ordinary shares for issuance under the 2014 New Employee Equity Incentive Plan. All option grants made pursuant to the plan must have an exercise price per share of no less than 100% of the fair market value per ordinary share on the grant date. Each option or other equity incentive award granted pursuant to the plan will vest in installments over the holder's period of service with us. Additional features of the 2014 New Employee Equity Incentive Plan are outlined in Note 6 to our consolidated financial statements in our Annual Report on Form 10-K filed on March 13, 2015.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements with our directors and executive officers described elsewhere in this proxy statement, the following is a description of each transaction since January 1, 2014 and each currently proposed transaction in which:

- we have been or are to be a participant;
- the amount involved exceeds or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers and certain other key employees. The indemnification agreements will provide that we indemnify each of our directors, executive officers and such other key employees against any and all expenses incurred by that director, executive officer, or other key employee because of his or her status as one of our directors, executive officers, or other key employees, to the fullest extent permitted by applicable law and our Amended and Restated Memorandum and Articles of Association. In addition, the indemnification agreements provide that, to the fullest extent permitted by the applicable laws, we will advance all expenses incurred by our directors, executive officers and other key employees in connection with a legal proceeding.

Policies and Procedures for Related Party Transactions

Pursuant to our code of conduct and audit committee charter, any related party transaction or series of transactions with an executive officer, director, or any of such persons' immediate family members or affiliates, in which the amount, either individually or in the aggregate, involved exceeds \$120,000 must be presented to our audit committee for review, consideration and approval. All of our directors and executive officers are required to report to our audit committee any such related party transaction. In approving or rejecting the proposed transactions, our audit committee shall consider the relevant facts and circumstances available and deemed relevant to the audit committee, including, but not limited to the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our audit committee shall approve only those transactions that, in light of known circumstances, are not inconsistent with Theravance Biopharma's best interests, as our audit committee determines in the good faith exercise of its discretion.

We have engaged Gunderson Dettmer Stough Villeneuve Franklin & Hachigian, LLP ("Gunderson Dettmer"), of which Mr. Gunderson, one of our directors, is a founding partner, as our primary legal counsel. Fees and reimbursable expenses are incurred in the ordinary course of business, and during the year ended December 31, 2014, we incurred fees and reimbursable expenses in the ordinary course of business of approximately \$1.1 million to Gunderson Dettmer. Mr. Gunderson's interest in these fees is not readily calculable. We believe the services rendered to us by Gunderson Dettmer were on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party. We expect to continue to retain the services of Gunderson Dettmer in the future.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our executive officers and directors and persons who own more than 10% of our ordinary shares, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. We believe that during the fiscal year ended December 31, 2014, our directors, executive officers and greater than 10% shareholder complied with all applicable Section 16(a) filing requirements. In making this statement, we have relied upon a review of the copies of Section 16(a) reports furnished to us and written representations from certain parties that no other reports were due.

AUDIT COMMITTEE REPORT

The information contained in the following report of Theravance Biopharma's audit committee is not considered to be "soliciting material," "filed" or incorporated by reference in any past or future filing by us under the Securities Exchange Act of 1934 or the Securities Act of 1933 unless and only to the extent that Theravance Biopharma specifically incorporates it by reference.

Role of the Audit Committee

The audit committee operates under a written charter adopted by our board of directors. The audit committee of our board of directors oversees our accounting practices, system of internal controls, audit processes and financial reporting processes. Significant related party transactions will be approved by our audit committee before we enter into them, as required by applicable rules and listing standards. Management is responsible for our internal controls, financial reporting process, selection of accounting principles, determination of estimates and compliance with laws, regulations and ethical business conduct. Review of Audited Financial Statements for the Year ended December 31, 2014

The audit committee has reviewed and discussed with Theravance Biopharma's management and Ernst & Young LLP the audited consolidated financial statements of Theravance Biopharma for the year ended December 31, 2014. The audit committee has also discussed with Ernst & Young LLP the matters required to be discussed by applicable requirements of the Public Company Accounting Oversight Board regarding communications between our independent registered public accounting firm and audit committee.

The audit committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Ernst & Young LLP its independence from us.
